This report is based in part on information provided by the homeowner or his/her representative in the application submitted for this permit. The sanitarian is not responsible for false or misleading information contained in the application. The sanitarian is also not responsible for concealed conditions on the property or for statements in this report that may have resulted from false or misleading statements provided to him in the application. Neither Wake County nor the sanitarian warrants that the septic tank system will continue to function satisfactorily in the future or that the water supply will remain potable.

Site plan approved as shown for
 Any changes to site plan voids approval. All setbacks apply
 for septic systems and wells, regarding any pools, decks,
 additions and/or accessory structures. Applicant is responsible
 for protecting all portions of the septic system, repair area and
 wells from damage during construction. Adhere to all Local and
 State Rules.
